

# OpenStack Summit - Liberty. Experiencias y Novedades

Miriam Godinez - @MrsMakika

Luz Cazares - @dlux\_cazares

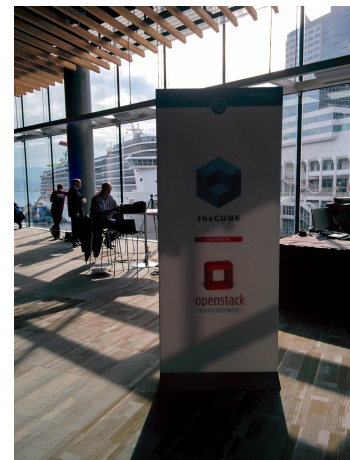

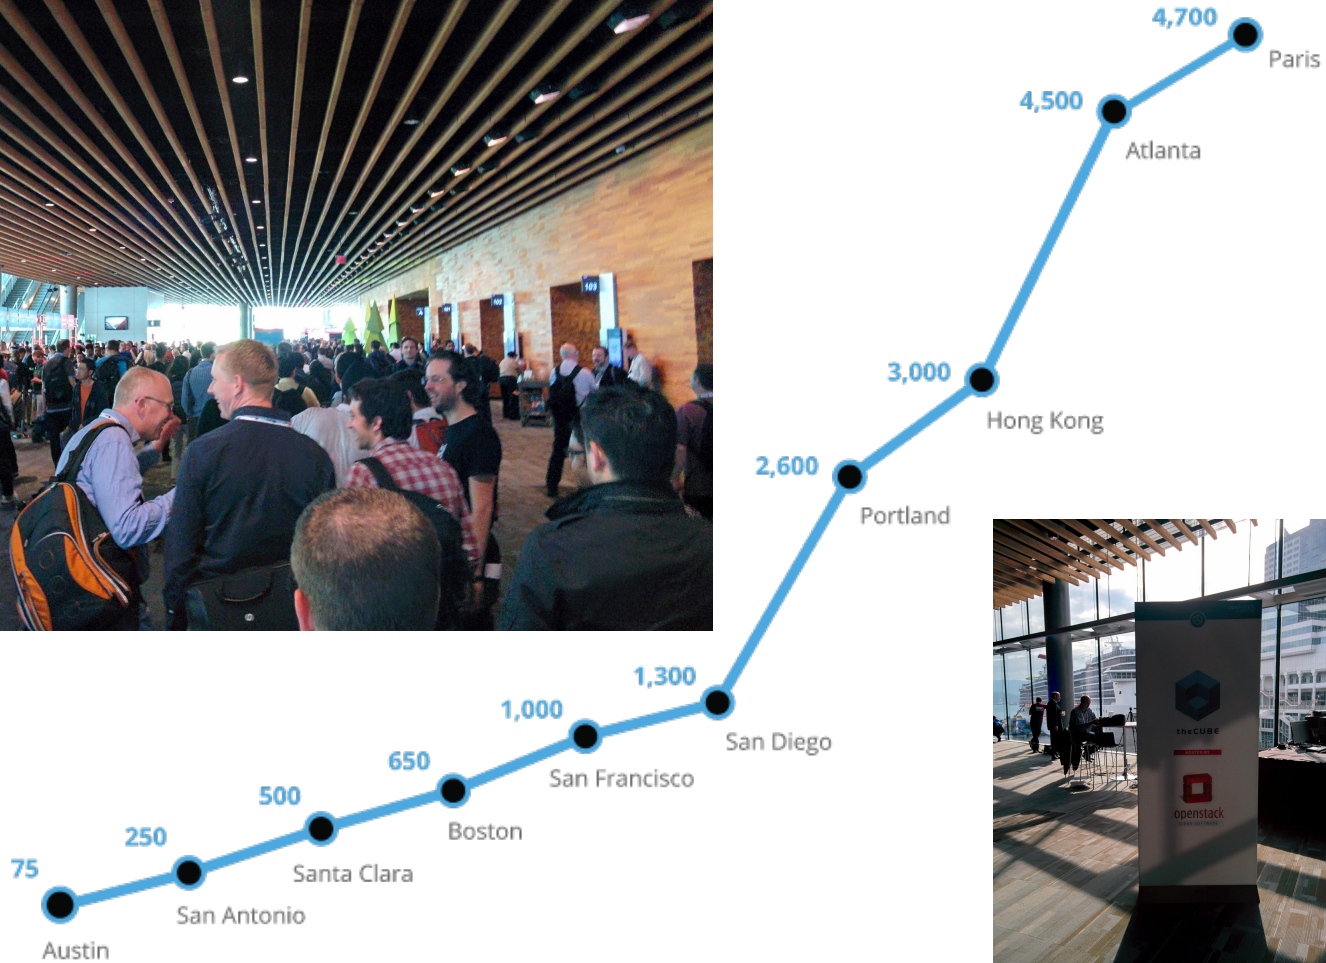

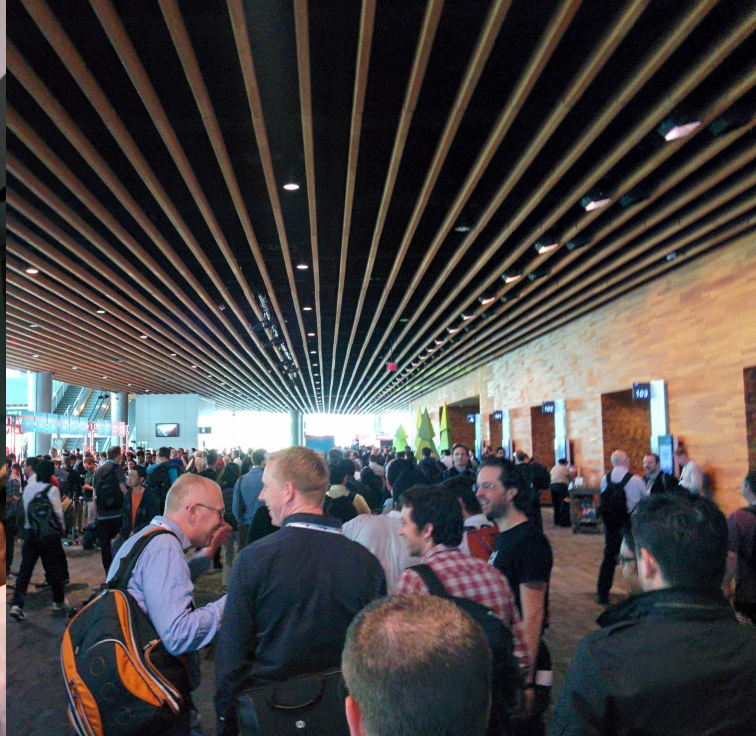

Victor Morales - @electocucarach

# Nomenclaturas

1. Austin (Austin, Texas): The first design summit took place in Austin, TX
2. Bexar (San Antonio, Texas): San Antonio is located in Bexar county
3. Cactus: Cactus is a city in Texas
4. Diablo (Santa Clara, California): Diablo is a city in the bay area near Santa Clara
5. Essex (Boston, Massachusetts): Essex is a city near Boston
6. Folsom (San Francisco, California): Folsom is a city near San Francisco
7. Grizzly (San Diego, California): Grizzly is an element of the state flag of California
8. Havana (Portland, Oregon): Havana is an unincorporated community in Oregon
9. Icehouse (Hong Kong): Ice House is a street in Hong Kong
10. Juno (Atlanta, Georgia): Juno is a locality in Georgia
11. Kilo (Paris, France): Paris (Sèvres, actually, but that's close enough) is home to the Kilogram, the only remaining SI unit tied to an artifact
12. Liberty (Vancouver, British Columbia): Liberty is a village in the Canadian province of Saskatchewan
13. M\* (Tokyo, Japan)
14. N\* (Austin, Texas)
15. O\* (Barcelona, Spain)

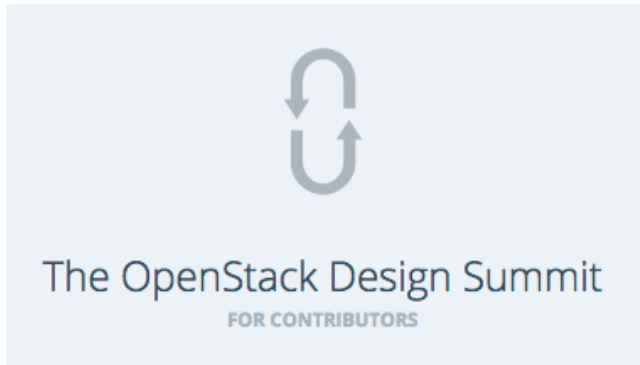

# Keynotes

# Sesiones de Diseño

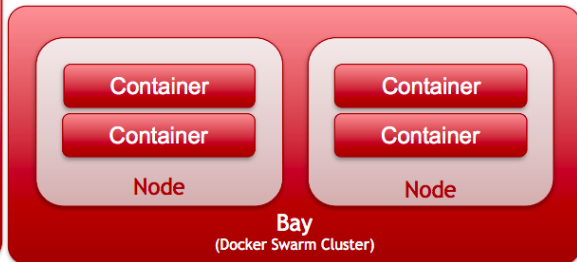

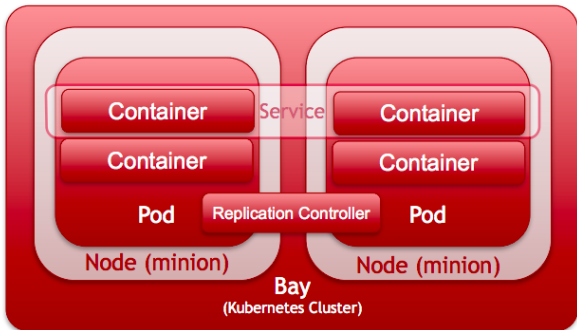

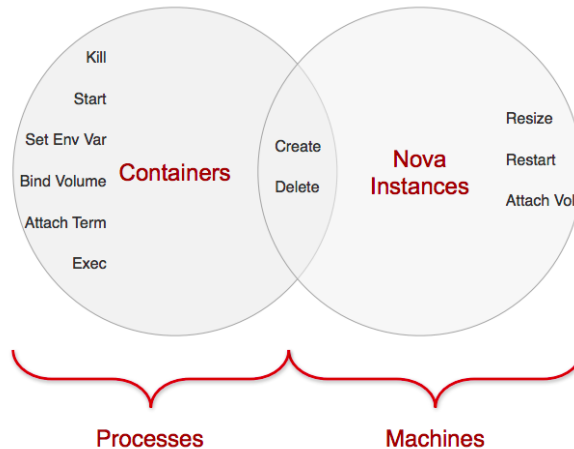

- Preferentemente para developers.
  - Títulos no atractivos.
  - Calendario separado.
- Formato varia.
  - Micrófono opcional.
  - Acomodo de sillas
- Uso de etherpad.
  - Registrar notas
  - Realizar preguntas.

# Magnum

**2106** patch sets  
**680** commits  
**105,996** lines of code

**6** months  
**42** engineers  
**19** affiliations  
**released**  
**2015-01-20**

# Governance

## **Determination of Core and Trademark Policy:**

Shift from two to three categories of software

- Current bylaws:
  - OpenStack Project
  - Core OpenStack Project
- Revised bylaws
  - OpenStack Project
  - OpenStack Technical Committee Approved Release
  - Trademark Designated OpenStack Software

# Áreas de Oportunidad

- Diversidad.
- [Internados.](#)
- Guías para entrenamiento.
- [Programa de soporte para viaje.](#)

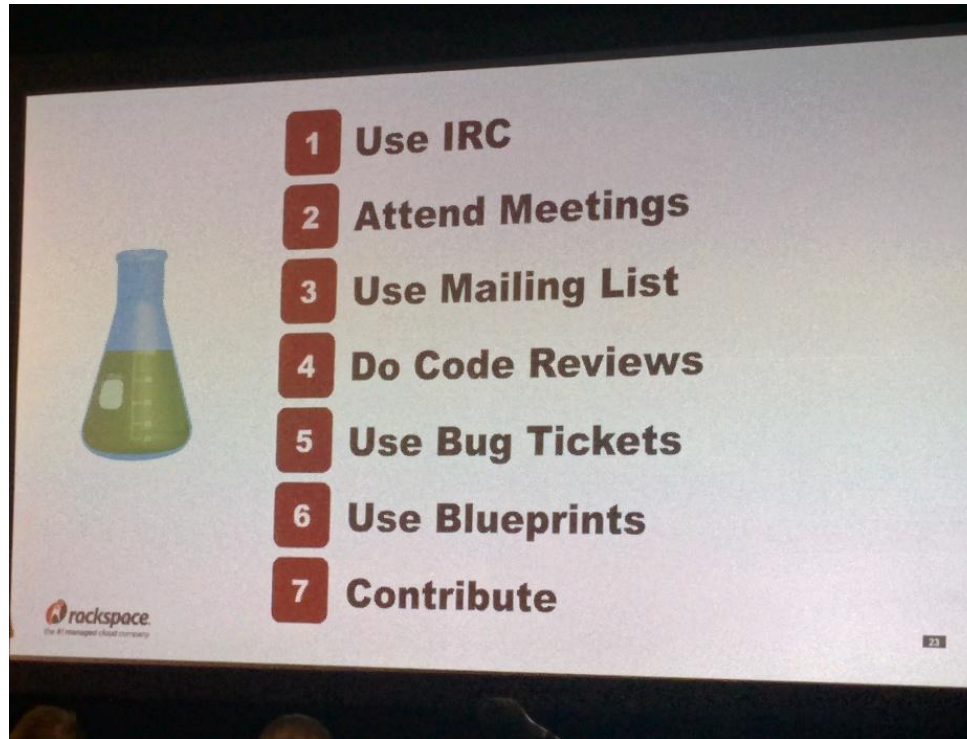

# Recomendaciones

# 7 Habits of High Effective Contributors

The slide displays a list of seven habits for high-effective contributors, each preceded by a red square containing a white number. To the left of the list is a blue and green flask icon. The Rackspace logo is in the bottom left, and a small '23' is in the bottom right.

- 1 Use IRC
- 2 Attend Meetings
- 3 Use Mailing List
- 4 Do Code Reviews
- 5 Use Bug Tickets
- 6 Use Blueprints
- 7 Contribute

 **rackspace**  
the #1 managed cloud company

# State of the Stack v4

# Need your help recruiting folks for a Horizon usability study!

We're planning to conduct a usability study on Friday, June 26<sup>th</sup>, Monday, June 29<sup>th</sup> and Tuesday, June 30<sup>th</sup> to validate the new Lounce Instance workflow included in kilo as a beta.

The team would like recruit end users for the study that have used Horizon to launch instances in the past, but have not used the new workflow.

This is important. We are trying to avoid users that are part of the OpenStack community and develop for Horizon. The rationale is that we don't want to introduce any bias associated with some of the discussions that have occurred within the community about the new workflow.

The study will take no longer than an hour and will be hosted via Google Hangouts. We are providing a \$25 Amazon gift card to thank participants for their time.

This is a relatively short timeline and your help in recruiting participants would be hugely appreciated!

Thanks,

Piet
